New themed trails: „Spielend Wandern“ & „Gipsis Rätselweg“

On the tour from the Oberlech mountain station through the lower gypsum holes, you can playfully hike through eight stations that help you get to know the nature of Lech Zürs better. The tour continues at the Petersboden mountain station: Equipped with your smartphone and a puzzle map (available online and at the Petersboden cable car), you help a little troll called Gipsi to uncover the great secret of Oberlech. So there's no longer anything to stop you enjoying a varied hike in Oberlech.
